FCPAE EUROPE FORUM

AFCDUD

Dear Ladies and Gentlemen :

The **AFCDUD** (Franco-Chinese Association in Urban Sustainable Developement) has the honor to preside over the **FCPAE** (Federation of Chinese Professional Associations in Europe) in 2017 , which is composed of **56** associations spread in Europe with more than **20 000** members . We are organizing in Paris on September 25-26 the 9th edition of the "FCPAE Europe Forum", entitled "**Smart City, Green Life**". This Forum, in the spirit of the "**Paris Climate Accord**", aims to contribute to the implementation of "**the Belt and Road Initiative**" strategy and to the establishment of Sino-European **Green and intelligent urbanization** cooperations.

The "FCPAE Europe Forum" brings together each year about 500 participants (political representatives, authorities, entreprises, universities, NGOs, etc.), with the aim of promoting exchanges and cooperation between Europe and China in the fields of **economics, science, technology and education**.

The Forum will include a series of conferences, an exhibition of innovative and green solutions, a demonstration of solutions, the competition "Green Tech Start-up", a business convention, a signing ceremony of cooperation agreements, and Visits to exemplary smart & green cities and entreprises.

The conference topics will focus on smart cities and green living, including **roundtable of mayors**, governance, project financing, case studies, climate economics, energy transition, health, mobility, internationalization of companies and new Hi-tech such as BigData, Internet +, artificial intelligence, etc ...

We sinserely invite you to join in this event to **promote Sino-European cooperation at all levels**.

See you soon in Paris.

Dr. Kai-Sheng LIU

Chairman on Duty of FCPAE
President of AFCDUD
